### **C. RULES & PROCEDURES FOR FUTURITY CLASSES**

**Judging System**-Handlers for all Futurity classes must be Amateurs (ATH) and must meet all USEF amateur requirements. Halter classes for the **Breeders Challenge Futurity** will **NOT** utilize the AHA scoring system. Classes will be adjudicated using the comparative judging system. The number of judges will be determined by **CABA** and the **Futurity Administrator**. Classes will be conducted in accordance with AHA Halter Rules. Each participant is responsible for knowledge of these rules and is subject to these rules. The **CABA BOD** and the **Futurity Administrator** reserve the right to combine classes at their discretion. Any questions that may arise which are not covered by AHA Rules will be resolved by the CABA governing body. All entries will be judged independently and comparatively by the Judge. The Judge will examine all horses individually while walking, trotting, and standing.

Horses shall enter the ring at a trot in a counter-clockwise direction in chronological age order (according to date of birth) from oldest to youngest.

Horses will be encouraged to move with elegance, impulsion, and charismatic animation at the trot, exhibiting authentic Arabian type. Following the trot into the arena, each entry shall proceed to the far end. All entries MUST remain at the designated area while the other horses enter the arena. Immediately following the individual presentations at the trot (entrance into the arena), all horses shall walk in a counter-clockwise direction around the arena. Horses to circle at a controlled walk around the ring at the discretion of the judge and at the instruction of the ring steward. The purpose of this presentation is to allow the judges to collectively assess the quality of each entry at a natural walk. At the conclusion of the walk, horses will be presented to the judges in the center of the ring. Horses will be presented to the judging panel for evaluation in a controlled, yet uninhibited and non-intimidated manner. Horses are encouraged to exhibit Arabian presence. The use of a standard halter show whip is allowed but not mandatory. These procedures will apply for all yearlings, two year old and three year old horses. More than one horse may be exhibited by a handler in the same class provided that an additional, designated, handler(s) is/are available to take over the horse not being presented, and, provided that the additional handler(s) is/are available for each horse during the initial entry, group judging and awards presentation.

**D. Weanlings are welcomed to enter and be presented in their classes with their Dams.**

Weanlings will utilize the same procedures in the ring as the older horses with the following exception:

**TRADITIONAL HALTER STAND-UP OF WEANLINGS WILL NOT BE TOLERATED.** Each entry will be exhibited and presented to the judge for evaluation in a controlled, yet uninhibited and non-intimidating manner. Horses shall stand squarely on all four legs and shall be shown by the handler while standing at the shoulder instead of in front, and shall be shown with natural elegance and professionalism. **NO WHIPS OR LIVE CHAINS will be tolerated** in the weanling class. Handlers using either in this class will result in expulsion from the ring and the entry will be disqualified.

**All judging in the weanling class shall be comparative.**

**NOTICE AND EFFECTIVE IMMEDIATELY**

*(quote from USEF document dated April 27, 2016)*

***“... AR116.6a3 will allow shanking in Arabian Halter classes or competitions only in emergency situations where a horse becomes dangerously unruly and immediate shanking is required in order to regain control of the horse and prevent imminent harm to the horse or others.***

***In conjunction with AR115.1, with the exception of emergency circumstances where the horse is physically out of control and creating imminent danger to itself or others, from the date of the ruling forward, the threatening use of a whip (or potentially other objects) as a visual cue while preparing or presenting a horse in Arabian Halter classes or competitions must be recognized as intimidating behavior that is disallowed under AR115 and the general provisions of GR839”.***

**CONTROLLED PADDOCK**

Since the controlled paddock was first instituted, the use of large plastic bags and other items has escalated well beyond what is necessary to assist our in-hand horses into the arena. Additionally, we have erred by not clearly stating how this one specified person appointed by either the show committee or the exhibitor is to go about assisting with entrance(s) into the arena.

**EFFECTIVE IMMEDIATELY (per AHA directive)**, the one specified person assisting with entrance of in-hand horses into the show ring will be allowed to use only the same length whip and appendages as are currently allowed for the individual handling the horse. Rule reference AR114.2: ***WHIPS ARE TO BE NO LONGER THAN 6', INCLUDING APPENDAGES. SMALL APPENDAGES (NO MORE THAN 12" IN LENGTH) OR RIBBON, PLASTIC, ETC. ARE PERMITTED.*** The designated person will not hit or use any other objects, such as trash cans, walls, etc., to make any noise. In addition, effective immediately, the use of plastic or paper bags of any type or size is prohibited in assisting with entrance(s) into the arena.

It is the responsibility of Show Management, to ensure the "designated person" understands this policy and their role. Should this rule/policy be violated a warning card may be issued to both the handler and the "designated person", or groom, who initiates this violation. "Alternatively, the horse may be disqualified from this Futurity competition by the Judge(s) or at the discretion of CABA and the CABA FUTURITY ADMINISTRATOR."

**E. CLASSES-** Purebred Arabian and Half-Arabian halter classes shall be held for the following age groups: Weanling, Yearling, Two (2) Year Old, and Three (3) Year Old.
